

fx3 Enzyme Gel Peel Ingredients & Purpose

INGREDIENT

Aloe Barbados Leaf Extract
Butylene Glycol
Carbomer
Biosaccharide Gum-1
Papain
Echinacea Angustifolia Extract
Rsmarinus Officinalis (Rosemary) Extract
Citrus Grandis Ananas Sativus (Pineapple)
Panax Ginseng Root Extract
Camellia Sinensis (Green Tea) Extract
Vitis Vinifera (Grape) Fruit Extract
Coffea Arabica (Coffee) Extract
Euterpe Oleracea (Acai) Extract
Carica Papaya Fruit Extract
Pinus Radiata (Monterey Pine) Bark Extract
Vitis Vinifera (Grape) Seed Extract
Tocopheryl Acetate
Retinyl Palmitate
Ascorbic Acid
Rutin
Panthenol
Citrus Grandis (Grapefruit) Peel Oil
Citrus Aurantium Bergamia (Bergamot) Oil
Phenoxyethanol
Ethylhexylglycerin
Sodium Hydroxide

PURPOSE

Moisturizing and soothing qualities
Humectant and delivery ingredient
Thickener for gel like formulas
Hydrating and lifting effects
Natural enzyme for exfoliation
Anti-inflammatory & Antiaging
Antioxidant benefits
Natural enzyme for exfoliation
Increases circulation

Carrier for preservative
Modulates the pH

fx3 Instant Line Reducer Ingredients & Purpose

INGREDIENT

Aloe Barbadensis Leaf Extract
Sodium Silicate
Magnesium Aluminum Silicate
Butylene Glycol
Hyaluronic Acid

Biosaccharide Gum-1
Pine Bark
Grape Seed Extract
Acai Extract
Coffee Extract
Green Tea Extract
Cucumber Fruit Extract
Grape Fruit Extract
Echinacea Extract
Tocopheryl Acetate
Retinyl Palmitate
Rutin
Sorbitol
Glycerin
Pentylene Glycol
Xanthan Gum
Polysorbate 20
Hydroxyethylcellulose
Tetrasodium EDTA
Phenoxyethanol
Ethylhexylglycerin

PURPOSE

Moisturizing and soothing qualities
Mineral used in cosmetics
Used as a thickening agent
Humectant and delivery ingredient
Holds up to 1000 x's its weight in moisture
3-Aminopropane Sulfonic Acid & Calcium
Hydroxymethiconine- a revolutionary new
ingredient to help fortify and restructure the
skin for improvement in elasticity, firmness
and smoothness.. Anti-aging properties for
the skin.
Hydrating and lifting effects

Carrier for preservative

fx3 Restorative Moisturizer Ingredients & Purpose

INGREDIENT

Aloe Barbadensis Leaf Extract
Caprylic/Capric Triglyceride
Cetyl Alcohol
Ethoxydiglycol
Squalane
Dimethicone
Glyceryl Stearate
PEG-100 Stearate
Glycerin
Butyrospermum Parkii (Shea Butter)
Triethanolamine
Cetearyl Alcohol
Hyaluronic Acid
Salicylic Acid
Pinus Radiata Pine Bark
Vitis Vinifera (grape seed)
Acai Extract
Coffee Extract
Green tea Extract
Grape (fruit) Extract
Tocopheryl Acetate (Vitamin E)
Retinyl Palmitate (Vitamin A)
Ascorbic Acid (Vitamin C)
Rutin
Allantoin
Panthenol
Glycolic Acid
Ceteareth 20
Caesalpinia Spinosa Gum
Polyacrylamide
C13-14 Isoparaffin
Laureth-7
Grapefruit Peel Oil
Bergamot Fruit Oil
Tetrasodium EDTA
Phenoxyethanol
Ethylhexylglycerin

PURPOSE

Moisturizing and soothing qualities
Emollient with quick skin penetration
Emollient & emulsifier
Excellent solvent and carrier
Good emollient with antioxidant properties
Gives the skin a soft silky feel
Emollient and thickening agent
Thickening agent
Humectant to attract moisture
Excellent emollient & natural moisturizer
pH balancer
Emollient and emulsifier
Holds up to 1000 x's its weight in moisture
BHA – anti-inflammatory properties
Enzogenol Super Antioxidant
